ACTS Bible College Blessed by POA

Once again, ACTS Bible school was blessed by Bro. & Sis. Mangun, Bro. & Sis. Shock and the Pentecostals of Alexandria, La. This is the second year in a row that the POA has supported our students by paying half of their school year's tuition. They also supplied four new computers for student use in the library and LCD screens in our classrooms, not to mention hundreds of library books, Bibles, concordances, kitchen supplies,

student lockers, mattress covers, an air conditioner, fans, rice, and school supplies—just to name a few.

We were also blessed to have FMD board member, Bro. Raymond Woodward from Canada with us, who, along with the Manguns and Shocks, spoke to our Filipino leaders at this year's leadership conference.

Our school is especially blessed this year to have Bro. & Sis.

David Flowers join our staff. They are career missionaries who come to us with over 20 years of Bible school experience.

We have 74 registered day school students and 21 night school students this year. Among our day school students are three Vietnamese students who we are praying will return to Vietnam and impact their nation with the Gospel of Jesus Christ.

ANOINTED PRAYER

REV. WOODWARD (LEFT)
